(9.30am – 3.30pm) Another one of our most popular childrens workshops is back! A great workshop for 7-14 years to come and develop knowledge and skill in using the sewing machine whilst making new friends. We will be making a whale bum bag

|                                                                                                                                                                                                                                                                                                                                                                                                         |                                            |     |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------|-----|
| Friday 14 <sup>th</sup>                                                                                                                                                                                                                                                                                                                                                                                 | Fused glass with Cathy                     | £65 |
| (10am – 12.45pm) Cathy will take you through the process of glass fusion; the different types of glass, how to cut glass and how to assemble your pieces. You will get a choice of either 4 coasters or one larger piece that can be used as a feature piece. These will then be fired and returned back after a couple of weeks – please note well behaved children are permitted on this workshop too |                                            |     |
| Friday 14 <sup>th</sup>                                                                                                                                                                                                                                                                                                                                                                                 | Fused glass LANTERNS with Cathy Constable  | £85 |
| (1pm – 5pm) Cathy will take you through the process of glass fusion; the different types of glass, how to cut glass and how to assemble your pieces. You will get 4 pieces of glass to decorate with your own design which will make up the sides of your lantern. These will then be fired and returned back after a couple of weeks                                                                   |                                            |     |
| Friday 14 <sup>th</sup>                                                                                                                                                                                                                                                                                                                                                                                 | Make your own macrame necklaces            | £30 |
| Evening (7pm – 9.30pm) Join us for a relaxed evening making 2-3 different macrame style necklaces. We have a beautiful selection of coloured, cotton cords to make your stand out, soft and versatile necklaces (which also make great gifts)                                                                                                                                                           |                                            |     |
| Saturday 15 <sup>th</sup>                                                                                                                                                                                                                                                                                                                                                                               | Braided dog leads                          | £25 |
| (10am – 12.30pm) Join us to make fun, colourful and strong braided dog leads. There will be a choice of colours to choose from. You will be guided through how to make your very own lead.                                                                                                                                                                                                              |                                            |     |
| Saturday 15 <sup>th</sup>                                                                                                                                                                                                                                                                                                                                                                               | Needle felted “to the farm”                | £42 |
| (1pm – 4.30pm) Learn the art of bonding fibres to create super sweet 3D curly sheep or fluffy cows or fuzzy piggies                                                                                                                                                                                                                                                                                     |                                            |     |
| Wed 19 <sup>th</sup>                                                                                                                                                                                                                                                                                                                                                                                    | Children's “Woodland adventures” craft day | £40 |
| (9.30am – 3.30pm) A great workshop for creative children with lots of imagination. This workshop is inspired by the stories of Bramley hedge, communities of mice that have lots of adventures. During the workshop we will make/ craft and sew a number of items that reflect the stories including little rooms for the mice to play in etc                                                           |                                            |     |
| Thursday 20 <sup>th</sup>                                                                                                                                                                                                                                                                                                                                                                               | Freemotion embroidery                      | £56 |
| (10.15am – 4.00pm) Learn the art of freehand embroidery. During this session you will be shown how to achieve different layers, textures and stitches whilst “drawing with your sewing machine” We will layer fabrics and use stitch to add tone and texture seen in your chosen animal or create your own little Cornish landscape                                                                     |                                            |     |
| Friday 21 <sup>st</sup>                                                                                                                                                                                                                                                                                                                                                                                 | Cyanotype printing (sun printing)          | £40 |
| (10am – 1.00pm) Learn how to use the sun to print on cotton fabric – we will create templates and use nature items before exposing your fabric to sunlight, where it will then create beautiful patterns.                                                                                                                                                                                               |                                            |     |

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                            |     |
